Computer Engineering

## Education

Santa María School

2005 – 2018

Bachelor in Business Administration

UBA (Universidad Buenos Aires)

2019 – 2026

Computer Engineering

## Objective

I am looking to be part of a team in the world of IT development, I would like to be in an active and advanced group to be able to learn and grow as a computer engineer. In the long term I would like to have a company or a team that develops games or applications that have an impact on society.
